# Consequences...

- 24 clients fined....accepted a ticketfine
- Sex workers are chased from the streets, loose their work-flats, chased from hotels, pubs and restaurants.
- Some women are moving their business to other countries or try to hide more on the indoor marked
- We see tendencies that persons, agents are sending out offers to the women to organize their work.

# Conclusions

- Prostitution is a consequence of global poverty, great changes in social and economical structures in a country etc and of course many individual reasons...
- Strict migration laws can promote trafficking in human beings
- Free mobility within EU has stagnated prostitution to Norway from new EU members
